For advice visit our Cheshire Police website -

<https://www.cheshire.police.uk/cp/crime-prevention/residential-burglary/>

Please use 101 or Cheshire Police website to report any incidents. 999 in an emergency.

Community Engagement:

This month we have been involved with schools this time with interactions on Road safety where the children became part of the highways by being cars or who people whom on the roads and we have also invested in some furniture such as zebra crossings traffic lights etc, this has seems to have been well excepted and fun way of learning for the children .

We continue to have of reports about owners with their dogs running free in public places and fields, this includes livestock/sheep worrying and dogs being out of control these can be very serious offences with large fines and possible consequences for your dog.

Please be reminded as a dog owner you are responsible for:

Keeping your dog under controlling a public place. This includes keeping your dog on a leash when on a public foot path through fields especially where there is livestock in the field.

Getting it chipped and putting a tag on its collar with details (in case it gets lost)

Cleaning up after your dog in public.

Please be a considerate dog walker and consider other when letting your dog off the lead, you may know your dog well other people and animals don't.

This month trucam.

This month speed monitoring has been in Great Barrow and Blakemere lane.
Unfortunately, the weather has hampered the Trucam this month.

All drivers caught will be dealt via the central ticket office.

Resident's VOICE

Have your say on policing in your area...

It is important to us that we know about the issues that cause you concern. We have set up a survey where you can tell us about the things you would like us to focus on in your area.

Open the camera or a dedicated QR code reading application on your phone and hover over the QR code to scan it.
You will be taken to a page where you can complete the survey.

If you can't scan the code you can go to www.cheshire.police.uk/residentsvoicechester

We continue to offer you the chance to get in touch with online and in person police surgeries at different locations and times throughout the Kingsley and Gowy. I have been making the 'Residents Voice' QR cards available in different locations. This is your platform to put forward your views about the Cheshire Constabulary Service, improvements, concerns, and comments of what we do well. You can also find residents voice on the Cheshire police website. [Resident's voice | Cheshire Constabulary](#)

As part of our ongoing work to deter people from committing crime in Cheshire, we have invested in forensic property marking kits to identify those responsible for theft. The work we are doing in this area of prevention is branded Operation Shield. Neighbourhood Policing Teams are visiting households and businesses to introduce forensic property marking. They are offering householders and business owners free kits which are made by a UK company called Selectamark Security Systems plc. Their product is called Selecta DNA.

What is SelectaDNA? It is a cutting-edge way of protecting your property from theft. Each bottle within the kit contains a unique DNA code and thousands of tiny microdots that, once applied, identify it as yours.

Parking is a ongoing issue in several villages, we will continue to monitor the areas and give advisory notices where needed.

[Waiting and parking \(238 to 252\) - The Highway Code - Guidance - GOV.UK \(www.gov.uk\)](http://www.gov.uk/government/consultations/waiting-and-parking-238-to-252-the-highway-code-guidance)

Surgery Dates

Thursday 27th april at Norley village hall. 14.00 to 15.00 hours
